**AVER: Full HD Video Conferencing MCU**

\*\*\*สินค้าคุณภาพรับประกัน 3 ปี เต็ม

**EVC300**

- HD1080p Quality MCU up to 4 sites Videoconferencing system
- 2 Mega-pixels PTZ camera
- 16X Optical Zoom
- Real-time content sharing, dual monitor support & more without added fees
- No PC required (unless you are sharing your favorite .ppt)
- No ongoing maintenance/service fees
- Communication with H.323/SIP Standard
- VGA and HDMI Output

ราคา : **180,830.-** (Inc.vat)

**EVC900**

- HD1080p Quality MCU up to 10 sites Videoconferencing system
- 2 Mega-pixels PTZ camera
- 16X Optical Zoom
- Real-time content sharing, dual monitor support & more without added fees
- No PC required (unless you are sharing your favorite .ppt)
- No ongoing maintenance/service fees
- Communication with H.323/SIP Standard
- VGA and HDMI Output

ราคา : **520,900.-** (Inc.vat)

**EVC350**

- 1080p Quality MCU 4 sites
- Direct record to USB
- 2-Magapixel, Pan(+/- 100°) Tilt (+90°/- 25°)
- 18X total zoom
- Real-time content sharing, dual monitor support, & more without added fees
- No PC required (unless you are sharing your favorite .ppt)
- No ongoing maintenance/service fees
- Communication with H.323/SIP standard
- VGA and HDMI output

ราคา : **202,230.-** (Inc.vat)

**EVC950**

- 1080p Quality MCU 10 sites
- Direct record to USB
- 2-Magapixel, Pan(+/- 100°) Tilt (+90°/- 25°)
- 18X total zoom
- Real-time content sharing, dual monitor support, & more without added fees
- No PC required (unless you are sharing your favorite .ppt)
- No ongoing maintenance/service fees
- Communication with H.323/SIP standard
- VGA and HDMI output

ราคา : **524,300.-** (Inc.vat)

**AVER : Full HD Video Conferencing Endpoint**

\*\*\*สินค้าคุณภาพรับประกัน 3 ปี เต็ม

**EVC130**

- 1080p Quality Endpoint
- Direct record to USB
- 2-Magapixel, Pan(+/- 100°) Tilt (+/- 25°)
- 4X digital zoom
- Real-time content sharing, dual monitor support, & more without added fees
- No PC required (unless you are sharing your favorite .ppt)
- No ongoing maintenance/service fees
- Communication with H.323/SIP standard
- VGA and HDMI output

ราคา : **84,530.-** (Inc.vat)

**EVC130P**

- 1080p Quality Endpoint
- Direct record to USB
- 2-Magapixel, Pan(+/- 100°) Tilt (+/- 25°)
- 16X optical zoom
- Real-time content sharing, dual monitor support, & more without added fees
- No PC required (unless you are sharing your favorite .ppt)
- No ongoing maintenance/service fees
- Communication with H.323/SIP standard
- VGA and HDMI output

ราคา : **127,330.-** (Inc.vat)

**EVC150**

- 1080p Quality Endpoint
- Direct record to USB
- 2-Magapixel, Pan(+/- 130°) Tilt (+90°/- 25°)
- 18X total zoom
- Real-time content sharing, dual monitor support, & more without added fees
- No PC required (unless you are sharing your favorite .ppt)
- No ongoing maintenance/service fees
